- Encl: 1. Normal Conditions of AMC – Annexure 'A'
2. Detailed list of Computers, Printers and Computer Peripherals

Annexure 'A'

Normal Conditions for Comprehensive Annual Maintenance Contract

1. The Comprehensive Annual Maintenance Contract of the Computers, Printers and Peripherals is for one year (August 1, 2017 to 31st July, 2018).
2. The AMC Charges will be paid quarterly.
3. Some of the Systems are **under manufacturer's warranty**, which has been indicated separately. For such of those systems only preventive maintenance and general support charges may be quoted.
4. **The Comprehensive AMC covers all spare parts** other than consumables such as laptop batteries, adaptors, inkjet cartridges, laser printer toners, laser printer fuser assembly, monitor picture tubes, LCD/TFT Panels.
5. **Standby Computers and Printers** should be provided incase the problems are not rectified within a working day. The AMC provider will have the option of replacing the defective parts with either repaired or refurbished parts. However, if a part once replaced or repaired is reported to have a problem within a month, the AMC provider is required to replace it with a new part.
6. **Preventive maintenance** should be done once in three months for the computers and peripherals during the last week of each quarter. After completion of the preventive maintenance the quarterly bill has to be submitted.
7. **A reasonably good Desktop and a LaserJet Printer** has to be kept in the Institute as a standby by the service provider for immediate replacement in case of emergencies.
8. The service provider should keep **sufficient stock of the most frequently required spare parts** like mouse, RAM, Keyboards and Hard Disks etc., at the Institute for immediate repair/replacement.
9. A Reasonably **trained and experienced resident engineer** should be posted at the Institute and should available from 9.15 AM to 5.45 PM on all working days(Monday to Saturday) and on holidays if there is any emergency.
10. Any Service provided by the resident service engineer in relations to the complaints by the users should be duly acknowledged in the register and to be counter signed by the computer in-charge which in turn will be verified by the concerned authority. This will be used for quarterly evaluation of the AMC.
11. Institute **evaluates AMC once in every quarter** and if the evaluation report is found unsatisfactory, the Institute can terminate the AMC with immediate effect.
